

**TENNESSEE GENERAL ASSEMBLY  
FISCAL REVIEW COMMITTEE**

**FISCAL NOTE**

**HB 358 – SB 638**

February 16, 2017

**SUMMARY OF BILL:** Eliminates automatic payroll deductions for dues of state employees who are members of the Tennessee State Employees Association (TSEA). Authorizes state employees to personally remit dues to an employee association. Eliminates authorization of such employee association to have access to state employees during regular work hours.

**ESTIMATED FISCAL IMPACT:**

**NOT SIGNIFICANT**

Assumptions:

- The Department of Finance and Administration (F&A) currently administers state employee payroll deductions concerning TSEA membership.
- The discontinuance of existing association deductions by F&A will not result in a significant decrease in F&A expenditures, as the system used for processing such deductions is not unique to employee association dues and will be continued to be used for other types of deductions.
- There will not be a significant impact on any state or local tax revenue.
